

Agreement pertaining to Presenters at the LS-DYNA Conference 2021

Preamble

Within the context of the LS-DYNA Forum 2022 which we, DYNAmore Gesellschaft für FEM Ingenieurdienstleistungen mbH (hereinafter referred to as DYNAmore), will be hosting in Bamberg, Germany and online, on October 11, 12 and 13, 2022, it is intended to film the respective presentations and make these available on the Internet to participants who are taking part on a purely digital basis as well as to interested members of the public. The same applies to the presentation documents (papers, presentations, etc.). This agreement is intended to secure such disclosure from a legal standpoint – both for the presenters as well as for ourselves.

§ 1

The presenter has been informed that a live digital video recording (with sound and pictures) of his/her presentation is to be made and that this will, on the one hand, be made available to conference participants via the Internet within the scope of the online version of the conference and, on the other, to interested members of the public via the Internet following the conference. The presenter agrees to the processing of his/her personal data by DYNAmore in this connection, in particular, to the production of video and audio recordings of his/her presentation. The presenter may revoke this consent at any time by notifying *DYNAmore GmbH, Industriestr. 2, 70565 Stuttgart, Germany; Telefax: +49-711-459600-29; email: info@dynamore.de* accordingly in written form.

§ 2

The presenter herewith grants DYNAmore simple and territorially unrestricted exploitation rights with respect to the recorded presentation as well as the documents accompanying the presentation (papers, presentations, etc.) provided by the presenter for the duration of the legal protection period. These include all the usual online and offline reproduction and distribution rights, in particular, the right to create, store and distribute digital formats and to make these available online, the right to use and exploit these in intranets and on the Internet, as well as the right to reproduce these by means of visual and audio media, which includes making these available to the public.

§ 3

The presenter herewith affirms that he/she is the sole originator of both the presentation and the documents accompanying this presentation (papers, presentations, etc.) and that he/she is entitled to dispose of all copyright usage rights pertaining hereto – including all the pictures/artwork used in the presentation, resp. the accompanying documents. The presenter herewith affirms that he/she has informed any co-authors about the content of the presentation and the transfer of the rights of usage to DYNAmore and that he/she has obtained their consent accordingly.

§ 4

DYNAmore herewith affirms that the rights of usage granted, and the video and audio recordings made of the presentations, shall be used solely for the presentation and for documenting the LS-DYNA Forum 2022 and that these shall, under no circumstances, be used for advertising or any other purposes.
